13 Effective October 3, 1990, there was established an interest-bearing checking  
14 account for the purpose of collecting refundable library key payments from attorneys  
15 desiring access to the court's chambers law library. This policy was and is reflected  
16 in the court's "Law Library Policy," a copy of which every attorney is required to  
17 sign prior to being given a key.  
18

19 The initial refundable fee of \$20.00 (which was completely refundable upon  
20 relinquishment of the library key by the attorney) was subsequently raised to \$25.00.  
21 The additional \$5.00 was used to cover the cost of duplicating new keys and for key-  
22 related expenses, such as re-keying the locks when and if necessary. Now upon  
23 relinquishment of his or her key, an attorney is refunded \$20.00 of the \$25.00 paid.
