In the Matter of the

## AMENDMENT OF APPENDIX A(7) OF THE LOCAL RULES

**GENERAL ORDER No. 25-00008**

Acknowledging the increased bandwidth capabilities across the island and the need for parties to file larger sized documents, the Court hereby amends Local Rules Appendix A Section 7 (as underlined below) to change the attachments and exhibits filing limit in CM/ECF from 5 megabytes to 20 megabytes. The section will now state:

## **7. Attachments and Exhibits**

Filing Users must submit in electronic form all documents referenced as exhibits or attachments, unless the Court permits conventional filing of a specific document. Voluminous items may be electronically filed as multiple partial file attachments to avoid system limits on individual file size. The current system limit is 20 megabytes for any individual PDF file.

Any person who wishes to comment on this amendment may submit comments no later than December 31, 2025.
