Civil Action No. 99-0046

1 On January 4, 2002, the court received from defendant Commonwealth a
2 response to its order of December 27, 2001. In its submission, defendant
3 Commonwealth stated that it was only supplying the response to the court,
4 since that was all the court's order required. The Commonwealth is still a
5 named defendant, the court did not direct that the information be submitted
6 under seal, the information provided was in fact filed and made part of the
7 public record, and it was the court's intention that all parties receive a copy of
8 anything that defendant Commonwealth filed. Accordingly,
